## The Henstead Team Machine

With a multitude of upcoming school events, the level of teamwork observed is nothing short of outstanding. I truly believe that the defining factor to achieve a successful outcome is collaboration. I thank all pupils, parents and staff who are working together towards a common goal, forging a strong network of mutual support and respect. As I often remind the children, there is 'no I in teamwork'.

- Miss Clifton

# Concerts

On Tuesday morning this week and last, Mrs Lincoln's and Miss Bullen's piano, singing, violin and guitar pupils entertained their parents, siblings and teachers with a concert of pieces they have been working on. There was a wonderful variety of pieces, including improvisations and pupils' own compositions. Every performance was presented beautifully and radiated the enjoyment of performing. Many thanks to Mrs Lincoln, Miss Bullen and all the performers for entertaining us.

# Sports Day

Well done to everyone who took part in our annual Sports Day last Friday!

# School Disco

# Pony Club

What a wonderful term of Pony Club! Well done to all of the children who have taken part. Not only have you learnt to ride, but how to look after and care for the ponies too. We have learnt how to muck out their stables, how to groom the horses, learnt the different colours and breeds, how to feed them and so much more! Thank you to Annabelle's Equestrian for having us each week.
