Summer Term
21th June 2024

What a Wednesday - Sports Day and the Summer Fair all rolled into one afternoon!

The importance of Sports Day cannot be understated. We could all see how much it meant to the children. Bucket loads of resilience, perseverance, tenacity, empathy and sportsmanship. Then came the Summer Fair. It was buzzing and provided the perfect ending to a perfect day.

Nursery

Nursery went on another amazing trip to the Waveney Gym! We have seen such incredible progress in their gross motor skills this term and were all pleased with how much the children's confidence has grown. This visit the children knew exactly what they wanted to play on and what they had enjoyed most last time, so it was a very busy hour indeed!

- Mrs Braidwood

Year One

In Science we have been identifying parts of a plant. The children were able to name the petals, leaves, roots and stem as well as discuss their differing functions. They all enjoyed decorating paper plate flower pots, designing blooming flowers and leaves and adding a few insects! Then had to correctly label the various parts. Some wonderful creations!

- Mrs Dakin

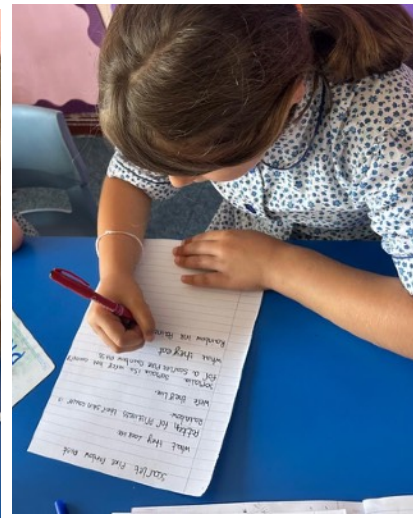

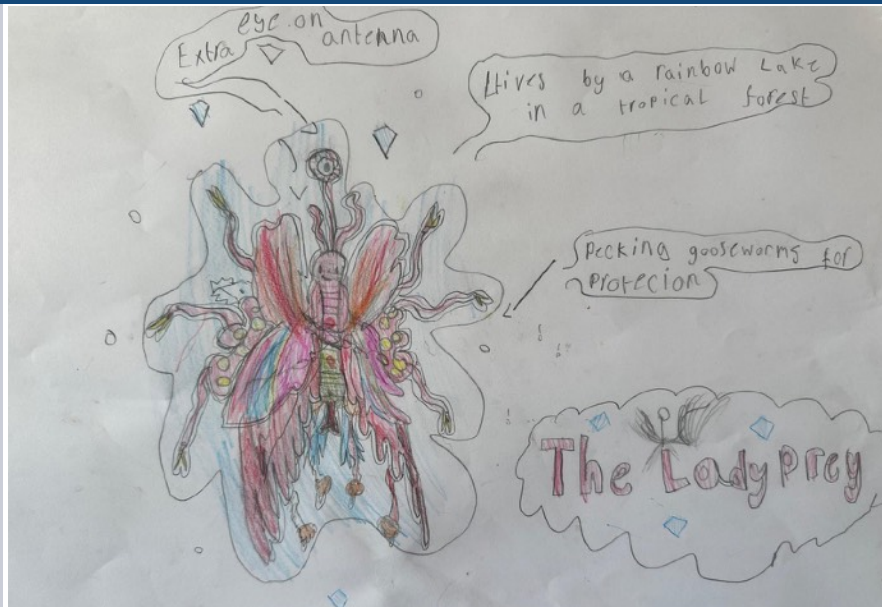

Year Three

This week, Year Three have been busy creating their own creatures and writing a report about them, focusing on titles, subheadings and subject specific language. Well done, Year Three

- Miss Bennie

Year Four

Year 4 has been experimenting with different techniques to create cityscape silhouettes. The pupils enjoyed painting colour changes to make the skyscape gradient in the background of their pictures. We observed that sunsets can be full of nuance, change and how temperature affects the sky's colour, and discussed how environments can be a blend of natural as well as built.
