Nursery

Our budding artists enjoyed creating some masterpieces in the art room this week!

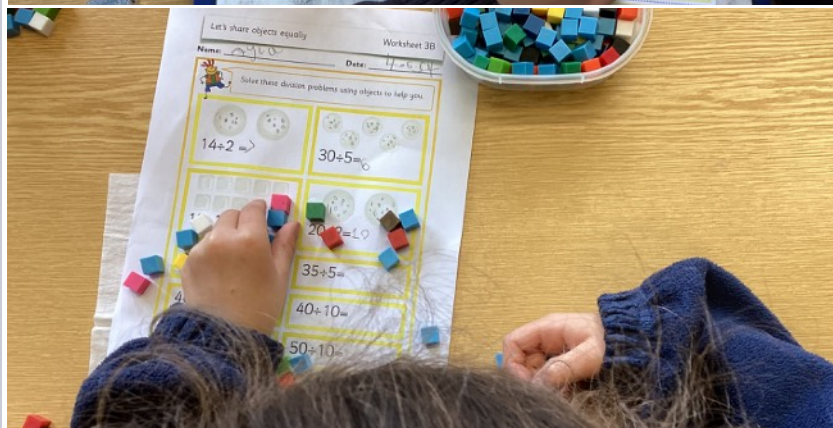

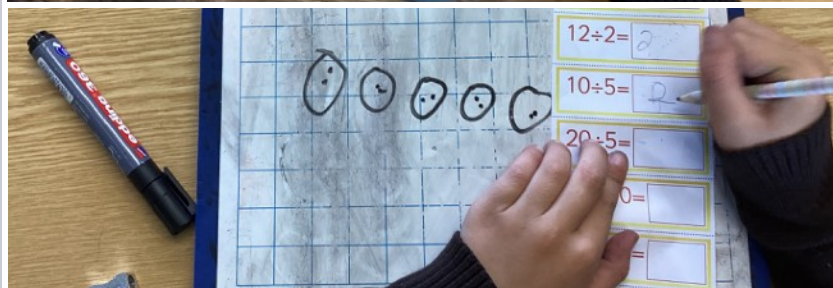

Year One

The school have some feathered friends who are getting used to daily cuddles from all the children!

In Maths we are looking at sharing objects equally to solve problems. By counting in twos, fives and tens the children were able to solve some challenging division sums. We have also created our own division number sentences to solve, using either our fingers or unifix cubes. The children have additionally looked at odd and even numbers to one hundred, explaining the terms and providing examples of each.

A great week everyone.

- Mrs Dakin

Year Three

We have enjoyed holding the chicks this week, who are getting bigger by the day!

- Miss Bennie

Year Four & Five

Years 4 and 5 acquitted themselves extremely well in our performance poetry competition at the end of the last half-term. Well done to all!

- Mrs Sonn

Pony Club

At Pony Club this week we enjoyed a hack around the village, stopping by at school for a photo!
